Personalising homes with endless colour options

We have a wide range of subtle and standout colours to use singly or in creative colour way combinations to bring out the beauty and character in your home.

Although same colour in and out and colour on white are the most popular options, you can let your imagination run free and specify any colour option. For example Grey outside and English Oak inside.

All foil finishes are extremely durable and come with a manufacturers guarantee and with the minimum of maintenance will stay looking beautiful for years.
