Elevate your home with energy-efficient style

www.patiosliders.co.uk

A Seamless Fusion of Style and Functionality

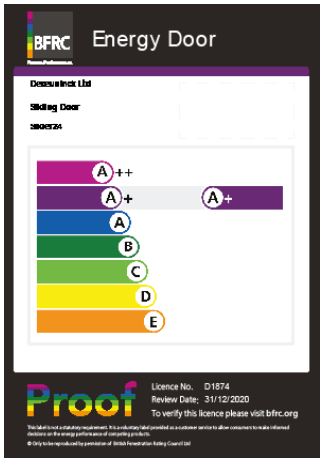

With slimline profiles and expansive glass panels, the TT24 and Slider24 allow an abundance of natural light to flood your living space, creating an atmosphere of openness and tranquility.

Whether you have a stunning garden, a picturesque view, or simply want to create a brighter interior, our sliding patio doors ensure that you won't miss a single moment of the beauty that surrounds you.

The perfect blend of

ENERGY EFFICIENCY & SECURITY

At the heart of the TT24 and Slider24 lies its exceptional energy efficiency

Crafted with precision and using state-of-the-art technology, this door is built to minimise heat loss and maximise insulation. The multi-chambered profile, combined with high-performance glazing options, creates an effective thermal barrier, reducing energy consumption and lowering heating and cooling costs.

With its impressive U-values, our patio doors ensure that your home remains comfortable throughout the year while reducing your carbon footprint.

Beyond energy efficiency, security is a paramount concern for any homeowner, these sliding doors won't disappoint. Equipped with robust locking mechanisms and reinforced frames, these doors offer unparalleled protection against intruders. The advanced locking systems provide peace of mind, allowing you to relax and enjoy the beauty of your surroundings without compromising on safety.

SLIDING DOORS WITH ENHANCED SECURITY AND ACCESS

Both TT24 and Slider24 are specified with full PAS 24 security, making use of a high security sash interlock and locking system to meet the requirements of Approved Document Q as standard.

Standard Lock & Keep Set

- 6 point locking
- Bi-directional hook throw for additional security against jemmying
- Forged brass hooks

PAS24 Corner Drive and Keep Upgrade Kit

- 12 point locking
- Anti-lift device
- PAS24 certified

Pembroke Invincible Handle Set

- Longer lever to ease operation
- Dedicated design to suit Invincible cylinder
- Available in White, Black, Chrome & Graphite

Keep Infill

- Clip-fit aluminium infill for improved aesthetics

Invincible Cylinder

- Reinforced with 5 times more metal than a standard cylinder
- 6 hardened high security pins for the ultimate anti-pick, drill and bump resistance
- Robust shape is a strong visual deterrent
- Independently tested: British Standard Kitemark TS007 and Secured By Design accredited

Weather Resistant

Best in class weather performance, air and water tightness.

Extremely Durable

Crafted from high-quality PVC, our sliding patio doors boast exceptional durability, capable of withstanding even the harshest weather conditions.

10 Year Guarantee

For your complete peace of mind, we provide a manufacturer's guarantee of a minimum of 10 years on our TT24 and Slider24 patio doors.

Colour Match

Each of our Heritage colours has its own matching ancillaries, trims and accessories for your TT24 and Slider24 and matching windows from our Heritage range.

30+ Colourways

We take pride in offering a wide selection of colour options for our products, with over 30 different colourways available from stock

Super Efficient

The TT24 and Slider24 are low maintenance and offer excellent insulation qualities which effectively reduce energy and heating costs.

Comfortable living

The TT24 and Slider24 provide a host of advantages to the quality of life. The patio door acts as strong and durable insulators against the harsh elements.

Sound Reduction

Glazing options to maximise energy efficiency and/or sound reduction.

Safe and Secure

The TT24 and Slider24 provide a secure and protective solution for any home with multi-point locking systems inbuilt to give you peace of mind. The Slider24 is further enhanced with a new sash interlock.

The Triple Track 24 and Slider24 patio door is available in Anthracite Grey, White and 30+ colourways, including Agate Grey on White Woodgrain, Anthracite Grey on White PVC and English Oak on English Oak.
